Breakdown per page

1. About Us

a. Our Journey Begins

This section features a full-width background image with a centered animated headline and a brief introduction to the company's history. The text is aligned center, creating an inviting and engaging start to the page. It sets the tone for the luxurious and elegant brand image, drawing visitors into the story of JCI BEAUTY.

b. Our Mission

A two-column layout with an icon list on the left and a rich text editor on the right. The text is left-aligned, detailing the company's mission to provide high-quality beauty products. This section emphasizes the brand's commitment to excellence and customer satisfaction, aligning with the overall goal of building brand awareness.

c. Meet Our Team

This section showcases a three-column layout featuring image boxes of key team members with their names and roles. Text is centered under each image, highlighting the expertise and dedication of the team. It builds trust and personal connection with the audience, enhancing the brand's credibility.

d. Our Core Values

A single-column layout with a series of flip boxes, each representing a core value of the company. The text is center-aligned, providing an interactive way for visitors to engage with the brand's principles. This section reinforces the brand's luxurious and elegant tone, contributing to its overall image.

e. What Our Clients Say

Featuring a testimonial carousel with star ratings and client quotes, this section uses a two-column layout. Text is left-aligned, showcasing positive feedback from satisfied customers. It serves to build trust and encourage potential customers to engage with the brand, supporting the goal of increasing online sales.

f. Join Our Beauty Community

A full-width call to action with a background color and a centered button encouraging visitors to sign up for the newsletter. The text is center-aligned, inviting users to become part of the JCI BEAUTY community. This section aims to collect email leads and foster a sense of belonging among beauty enthusiasts.

2. Contact

a. Mini Hero Section

This section features a single column layout with a background image and a centered heading. It serves as an introductory banner to welcome visitors to the contact page, setting the tone and providing a brief overview of the page's purpose. The section aims to engage users immediately and guide them towards the contact options available.

b. Contact Information

A two-column layout with text alignment to the left. This section includes essential contact details such as phone numbers, email addresses, and physical address. It provides users with direct ways to reach out, supporting the website's goal of offering customer support and building brand trust.

c. Contact Form

This section features a single column layout with a form element. It allows users to send inquiries directly through the website. The form includes fields for name, email, subject, and message, facilitating easy communication and helping to collect email leads for future marketing efforts.

d. FAQ Preview

A two-column layout with text alignment to the left. This section provides a brief overview of frequently asked questions, linking to the full FAQ page. It helps address common inquiries quickly, enhancing user experience and reducing the need for direct contact.

e. Map Location

This section uses a single column layout with a Google map element. It visually displays the business's physical location, making it easier for users to find and visit. This enhances the website's functionality by integrating interactive elements that improve user engagement.

f. Subscribe CTA

A single column layout with a call to action button and text editor. This section encourages users to subscribe to the newsletter, helping to build an email list for marketing purposes. It breaks the contact theme by introducing a promotional element, aligning with the goal of increasing brand awareness.

3. FAQ

a. FAQ Overview

This section serves as a welcoming introduction to the FAQ page, featuring a single column layout with a Background Image and a Heading. The text is center-aligned to draw attention. It sets the tone for the page, providing a brief overview of what users can expect to find, enhancing user experience and guiding them effectively.

b. General Questions

This section addresses common inquiries with a two-column layout featuring Accordion elements for easy navigation. Text is left-aligned for readability. It aims to provide quick answers to frequent questions, improving customer satisfaction and reducing support requests.

c. Shipping Information

A two-column layout with Accordion elements, this section focuses on shipping-related queries. Text is left-aligned. It helps customers understand shipping policies and timelines, contributing to a smoother purchasing process and setting clear expectations.

d. Returns and Refunds

This section uses a two-column layout with Accordion elements, left-aligned text, to address questions about returns and refunds. It clarifies the process, ensuring customers feel secure in their purchasing decisions and understand their options.

e. Need More Help?

A single-column layout with a Call to Action button and a Form, center-aligned text, encourages users to reach out for further assistance. This section enhances customer support by providing a direct line of communication, fostering trust and engagement.

4. Home

a. Welcome to JCI Beauty

This section features a full-width background image with an animated headline and a call to action button, aligned center. It introduces visitors to the luxurious and elegant world of JCI Beauty, setting the tone for the rest of the site. The hero section aims to captivate the audience's attention and encourage them to explore further.

b. Our Exclusive Products

Displayed in a three-column grid, this section showcases a selection of featured products with images, product titles, and prices. It includes a product filter and an 'Add to cart' button for each item. This section is crucial for driving sales by making it easy for visitors to browse and purchase products.

c. What Our Customers Say

Featuring a testimonial carousel with star ratings and customer quotes, this section is aligned center. It builds trust and credibility by showcasing positive feedback from satisfied customers, reinforcing the brand's reputation for quality and customer satisfaction.

d. Join Our Beauty Community

This section includes a background image with a call to action button and a short description, aligned center. It encourages visitors to sign up for the newsletter, helping to build a community and collect email leads for future marketing efforts.

e. Our Beauty Services

Presented in a two-column layout with icons and text, this section highlights the range of beauty services offered by JCI Beauty. It provides a quick overview of skincare, makeup, and hair care services, helping visitors understand the brand's offerings and expertise.

f. About JCI Beauty

This section uses a single-column layout with a rich text editor to tell the story of JCI Beauty. It provides background information about the brand's mission and values, helping to build a connection with the audience and enhance brand loyalty.

g. Stay Updated

Featuring a subscription form and social icons, this section is aligned left. It invites visitors to subscribe to the newsletter and follow JCI Beauty on social media, ensuring they stay informed about the latest products and promotions.

5. Shop

a. Shop Hero

This section features a full-width background image with an animated headline and a call-to-action button, aligned center. It sets the tone for the shopping experience, capturing attention with a luxurious and elegant design. The purpose is to engage visitors immediately and guide them to explore the products offered.

b. Product Archive

A grid layout displaying various products with images, titles, and prices, aligned left. This section allows users to browse through the available beauty products, providing an overview of the store's

offerings. It is essential for showcasing the range of products and facilitating easy navigation for potential buyers.

c. Featured Products

A two-column layout with a carousel of top-rated products and a sidebar with product filters, aligned left. This section highlights popular items, encouraging customers to explore and purchase. It enhances the shopping experience by showcasing bestsellers and providing filtering options for a personalized search.

d. Customer Testimonials

A single-column layout featuring a testimonial carousel with star ratings and customer quotes, aligned center. This section builds trust and credibility by showcasing positive feedback from satisfied customers. It plays a crucial role in influencing purchasing decisions and enhancing brand reputation.

e. Subscribe CTA

A single-column section with a background color, a text editor, and a subscription form, aligned center. This section encourages visitors to sign up for newsletters, offering exclusive deals and updates. It aims to collect email leads and maintain customer engagement beyond the initial visit.

f. Shop CTA

A single-column layout with a call-to-action button and a background image, aligned center. This section prompts visitors to take immediate action, such as exploring new arrivals or seasonal sales. It serves to drive conversions by directing attention to specific promotions or product categories.

6. Product Page

a. Featured Product

This section showcases a single product in a detailed layout with two columns. The left column features a large product image, while the right column includes the product title, price, short description, and an 'Add to Cart' button. Text is aligned to the left. This section aims to highlight the product's features and encourage purchases, contributing to the website's goal of increasing online sales.

7. Cart

a. Mini Hero Section

This section features a single column layout with a captivating background image and a centered animated headline. It sets the tone for the cart page, welcoming users with a luxurious and elegant feel. The purpose is to engage visitors immediately, reinforcing brand identity and encouraging them to proceed with their purchase.

b. Cart Details

This section is structured in a two-column layout featuring a list of products in the cart on the left and a summary of the total cost on the right. Main elements include Product Images, Product Title, Product Price, and a Checkout button. Text is aligned to the left. It facilitates easy review and modification of the cart contents, enhancing the shopping experience.

8. Checkout

a. Secure Checkout

This section is designed to facilitate a smooth and secure checkout process. It features a two-column layout with a form for billing and shipping details on the left and order summary on the right. Main elements include a Checkout form, Order Summary, and Secure Payment Options. Text is aligned to the left. This section ensures a seamless transaction experience, contributing to increased sales and customer satisfaction.

9. My Account

a. Welcome to Your Account

This section features a single column layout with a welcoming animated headline and a background image. The text is centered to draw attention. It serves as an engaging introduction to the My Account page, setting a luxurious and elegant tone that aligns with the brand's voice, and encourages users to explore their account features.

b. Account Details

This section is organized in a two-column layout with elements like My Account, Orders, Downloads, and Account Details. Text alignment is left for easy readability. It provides users with essential tools to manage their account, enhancing user experience and supporting the website's goal of providing excellent customer support.

10. Terms and Conditions

a. Terms of Use

This section outlines the terms and conditions for using our website. It is structured in a single column format with a text editor for detailed legal content. The text is aligned to the left for easy reading. This section is crucial for setting the legal framework and ensuring users understand their rights and obligations when interacting with our site.

11. Refund and Returns Policy

a. Terms of Use

This section outlines the terms and conditions related to refunds and returns. It is structured in a two-column layout with a text editor on the left and a list of key points on the right. The text is aligned to the left for easy readability. This section ensures customers understand the policies, contributing to transparency and trust in the brand.
